Hi Maureen,

We are working on the fact sheet for ETBA/TBE, however Vince is in transit (driving) to RTP today. We will contact when it is ready to go.

On another note, as we are undergoing some transitions in the IRIS division, I just wanted to let you know we are on track to post BaP on Thursday.

Thanks,

James

Hi Vince and James -

I got your message - I was flying back from the BOSC. I think it would be good to tee up the changes made especially if they had an impact on any decisions in the documents. I know Bob was interested in the CPN discussion from the public meeting, so getting a handle on the impact to the assessments would be good. Can likely use the regular fact sheet format to show these - I can put it in front of him Tuesday if you can get it to me prior.

Thanks! I'm off tomorrow. but will be online likely in the morning.

Maureen
